Description

The 2026 Hewescraft Sportsman 160 with a 75hp motor and trailer is a capable, easy-to-own aluminium fishing boat built for anglers who want confidence, durability and everyday practicality in one compact package. Designed with Hewescraft's reputation for rugged construction, the Sportsman 160 is well suited to lakes, rivers and sheltered coastal waters, offering a stable platform for casting, trolling or enjoying a relaxed day on the water. The 75hp motor provides responsive performance for getting to your favorite fishing spot quickly, while remaining efficient and manageable for newer and experienced boaters. With the included trailer, launching, retrieving and storing the boat becomes straightforward, making weekend adventures simpler from the start. Whether you are chasing trout at first light, taking family out for a scenic cruise or upgrading from a smaller tinny, the 2026 Hewescraft Sportsman 160 delivers a smart blend of strength, versatility and value.
