Description

The 2027 Weldcraft 240 Maverick is built for boaters who want a confident, all-weather aluminium fishing boat with the muscle to chase big water adventures and the comfort to keep the whole crew smiling; whether you are running early to a favourite salmon spot, exploring a rugged coastline, or enjoying a long weekend on the lake, this model is designed to feel stable, practical, and ready for action.

- Strong welded aluminium construction for durability in demanding conditions.
- Spacious 24-foot layout offering room for anglers, gear, coolers, and family seating.
- Deep, secure cockpit feel that helps inspire confidence when conditions turn choppy.
- Practical fishing-focused features may include rod storage, fish boxes, livewell options, and smart deck space.
- Comfortable helm and cabin-style protection make longer days on the water more enjoyable.
- A great choice for serious fishing, weekend cruising, and versatile boating where toughness and comfort matter.
