Description

The 2027 G3 Sportsman 1810 PFX is a versatile aluminium fishing boat designed for anglers who want a dependable platform for serious days on lakes, rivers and reservoirs, while still offering comfort for relaxed family outings; imagine launching at first light, organising tackle with ease, and moving quietly into position as the water settles around you. Key highlights typically associated with the Sportsman PFX style include:

- A wide, stable layout that supports confident casting from bow or stern.
- Practical storage areas for rods, tackle and essential gear.
- Angler-focused deck space designed to make fishing more organised and enjoyable.
- Durable aluminium construction suited to regular use in freshwater conditions.
- A smart choice for boaters seeking a balance of performance, value and everyday usability.

For the most accurate details on 2027 specifications, engine options, electronics, colours and availability, buyers should confirm the latest factory information with an authorised G3 dealer.
